Chat on WhatsApp

AI that answers, books and follows up.

Every AI service has a one-time setup and a small monthly plan. The monthly plan covers AI usage, hosting, monitoring and support, so there are no surprise bills.

TALK TO YOUR CUSTOMERS

AI Chatbot (WhatsApp / Website)

MOST POPULAR

Answers customer questions 24×7, qualifies leads and books appointments, trained on your business. Includes WhatsApp API connection and testing.

Live in 1-2 weeks · monthly plan covers up to 2,000 customer messages a month

₹29,999

one-time setup

+ ₹4,999/month

AI Voice Assistant

NEW

Picks up your calls, answers in Hindi and English, books appointments and sends you a summary. Phone number included.

Live in 2-3 weeks · 300 call minutes a month included, extra minutes ₹9/min

₹39,999

one-time setup

+ ₹4,999/month

DO THE WORK FOR YOU

AI Agent

A custom agent that works across your tools (CRM, Google Sheets, email, payments): follows up leads, updates records, sends reports.

Live in 2-4 weeks

₹49,999

one-time setup

+ ₹5,999/month

Workflow Automation

One repetitive task, fully automated: lead follow-ups, invoices from inbox to accounts, daily reports, document and data processing, CRM updates.

Per workflow · live in 1-2 weeks

₹19,999

one-time setup

+ ₹1,999/month

Knowledge Base AI

An AI assistant for your team or customers that answers from your documents, SOPs and FAQs.

Live in 2-3 weeks

₹39,999

one-time setup

+ ₹3,999/month

AI Strategy & Training

On request

Find where AI saves you the most time and money, and train your team to use it day to day.

Workshop or advisory, scoped to your team

Websites, apps and content that sells.

WEB & APPS

Business Website

₹24,999

Up to 8 pages, mobile-ready, fast, with SEO basics and WhatsApp and enquiry buttons.

one-time

+ ₹999/month care plan

Live in 1-3 weeks · domain extra (about ₹1,000/year) · care plan optional

Custom AI App / MVP

₹1,49,999

A full product with login, dashboard, payments and AI features, ready for your first customers.

one-time

+ ₹7,999/month

6-10 weeks · hosting & support plan covers database, AI usage, monitoring and small updates

UI / UX Design

On request

App and website screens, user flows and clickable prototypes.

CREATIVE & VIDEO

Video Editing

₹2,499

A reel or short video up to 60 seconds, with captions and music.

per video

2-4 days per video

Reels Package

BEST VALUE**₹19,999**

12 edited reels a month with captions, for a steady social media presence.

per month

Thumbnail Design

₹999

Click-worthy YouTube thumbnails.

per thumbnail

1-2 days

Logo & Brand Identity

₹12,999

Logo, colours, fonts and a mini brand guide.

one-time

5-7 days

₹9,999

Streaming software, scenes and overlays, set up and tested. Hardware not included.

one-time

2-5 days

Social Media Creatives & AI Content

On request

Post designs, carousels and AI-assisted content calendars for your brand.

From first call to live, in 4 steps.

01**Discover**

A free call to understand your business and find where AI or automation saves the most time.

02**Design**

A written proposal with scope, fixed price, timeline and payment schedule. Nothing starts until you agree.

03**Build**

We build, test with your real data and show you progress along the way.

04**Run & improve**

We launch, monitor and keep improving it on the monthly plan.

Prices are starting prices in Indian Rupees and may change; the price in your written proposal is final. Services with a monthly plan are sold as one-time setup + monthly. Third-party costs above the included limits (for example WhatsApp marketing messages at Meta's rates) are billed at actuals. See aimerger.in/terms and aimerger.in/refund-policy.
